Fall 2011

SPRING & SUMMER RECAP

Seems as though Mr. Moonwalk is on track to turn in yet another extremely successful campaign for 2011. In our 5th year serving Douglas and surrounding counties, our numbers continue its upward trend despite what is still a very tough economy & higher than ever prices on just about everything that matters.

As has been the case for the past couple of years, the bulk of our core business has come from the many loyal customers & repeat business. This only reinforces our beliefs in always providing the best customer service combined with putting out a great product at affordable prices. For example, our "competitors" may at times offer lower rental prices, but their equipment is often of cheaper quality and the service is usually not up to standard - not to mention all those hidden fees, and in many cases, very high delivery rates.

With that said, it is no surprise that after the dust has settled, we are the best in client retention rate after 5 strong years as Douglasville's #1 inflatables rental company!

OCTOBER MEANS FALL FESTIVALS & HALLOWEEN!

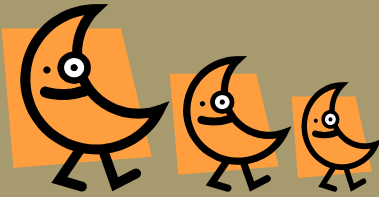

October is by far the busiest month of the year for most inflatables rental company - and this is no exception at Mr. Moonwalk!

Thus we want to take this opportunity, as we do every year, to remind event planners that the time is NOW to reserve the units & equipment of your choice before they are all gone. Our long time customers have seen these words before but they bear repeating:

- Book your inflatable(s) and/or concession item(s) as soon as possible - as in right away!! We require a deposit for high demand items and for bookings during the Halloween weekend period so please plan accordingly.
- Be flexible with your dates & time of event and select at least 2 back-up dates in case you find it difficult getting rentals for your preferred day of choice.
- Think about the setting & spacing for your event - outdoors or indoors? Do you have adequate ceiling height if indoors? How many can your space safely accommodate? Will it be too cold or wet if outdoors? Also, make sure access to multiple outlets on separate circuits is within close proximity to set-up area.
- As far as venues go, think about having an indoor back-up if planning to have an outdoor event (October is still hurricane season and nasty weather can come suddenly!!)

We are always excited about this time of the year and look forward to a safe & fun-filled October of pumpkins, tricks, treats and creative costumes.

.....STILL WALKING

LAST CHANCE TO GET WET & WILD IN 2011!

33 Foot Long Slip n' Slide w/ Pool at the end!

16 Foot Tall Wet/Dry Slide - This one is all business!

Crowd pleasing 14 Foot Tall Wet/Dry Paradise Slide

OH, AND BY THE WAY...

Looking for games to add to your Fall Festival activities? You can now rent a Mini-Golf Putting Green, Skee Ball table, Atlanta Falcons Football Toss, Spin Art machine & a Cash Cube for your event! Just go to www.mrmoonwalk.com & click on the equipment rental & supplies tab!

We are constantly adding more information, updates, and links to our website to make sure our customers can get answers whenever they want 24 hours a day/7 days a week.

HAVING A GRAND OPENING?
Then rent one of our SKY DANCERS!
They don't do the moonwalk but they are an excellent way for both old & new businesses to get more "VISIBILITY" from potential customers.

Finally, remember that Mr. Moonwalk now offers an indoor party rental facility in collaboration with Motivational Fitness! We will have more on that in next quarter's edition. Until then, Mr. Moonwalk thanks you & continues to urge that having fun should always be done safely & responsibly!
